Purdue Chapter
Association for Computing Machinery

Vice President: Nikolas Ogg

What is ACM?

A collection of groups focused on fields in computing

- Game Development
- Artificial Intelligence
- Robotics
- Etc…

Host Special Events

- Company Tech Talks
- Help Sessions
- Student led Talks
- Programming Competitions

How to: Install Linux

Why should I use Linux?

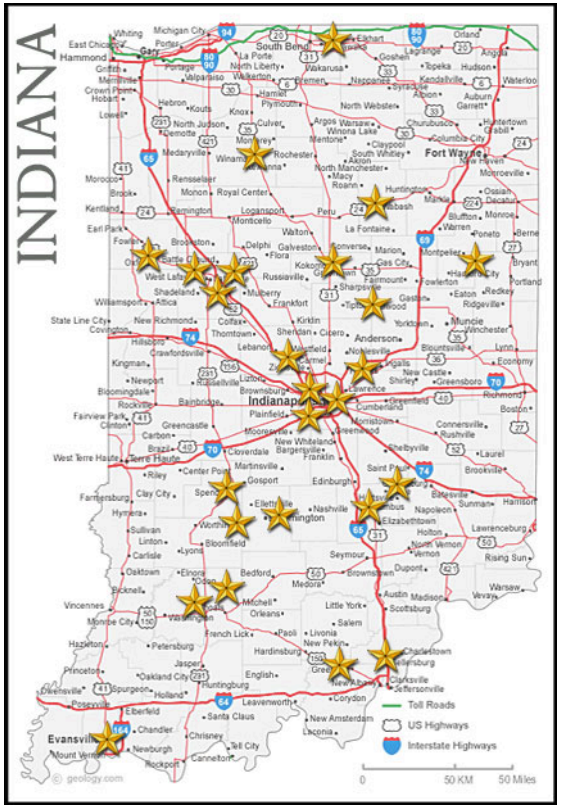
What is EXT4?
What is SWAP?

Should I install Arch Linux?

Partnered with PLUG

High School Coding Competition

Simple coding questions (think FizzBuzz)
Talk to students about CS and Purdue
Learn about competitive programming



SIGS: Special Interest Groups

Application Development
Artificial Intelligence
